- Il était une fois Elpida et Chara, qui étaient les meilleures amies. L'une cherchait la liberté et l'autre l'amitié. Elles avaient les mêmes idées et le même désir à se développer. Quand elles se rencontraient, elles discutaient concernant leurs problèmes et les choses que les rendaient anxieuses, et elles essayaient à trouver les pas corrects pour l'accomplissement de leurs rêves. Le temps est passé, les filles sont agrandies, elles ont dépassé ses limites et enfin elles ont compris qu'elles ne cherchaient pas leur tranquillité mais la beauté de la recherche...

What you need is willingness,
communication and cooperation....

... And you will reach Ithaka,
whitch gave you the marvelous
journey. Without her you wouldn't
have set out. She has nothing
left to give you now...

..and if you find her poor, Ithaka
won't have fooled you. Wise as you
will have become, so full of
experience, you'll have understood by
then what these Ithakes mean...

Since every trip is followed by impatience,
Since this trip is different,
Since the surface of our routine lake have been rippled,

Since the trip and not only the destination has its own special value,
This will be the TRIP...”
